

PEARTINI FOR TWO

(inspired by Giada de Laurentiis)

for simple syrup (you won't use it all)

1/2 cup sugar

1/4 cup water

for drink

4 shots of pear juice (homemade, of course!)

2 shots of Vodka (we like [Stolichnaya](#))

2 shots of lime juice

1 shot of simple syrup

shaker full of ice

two gorgeous strawberries

Make the simple syrup by heating the water and the sugar in a small sauce pan, until completely dissolved. Allow it to cool to room temperature, and store in the fridge for future uses.

Place ice cubes in your shaker until half full. Add all other ingredients for the drink, shake well and pour on martini glasses.

Garnish with a strawberry sliced halfway.
